These terms apply to the game “Play & win at 1815”: playing Pixel Raid at the 1815 booth at WordCamp Netherlands 2026 or online at 1815.nl/game. By taking part, you accept these terms. This is a translation of the Dutch terms; if the two versions differ, the Dutch version prevails.

01 Organiser

The game is organised by 1815 B.V., Nieuwe Parklaan 17, 2597 LA The Hague, the Netherlands, Chamber of Commerce (KvK) 78483522 (“1815”). The game is intended to promote 1815.

02 Duration

You can take part from Thursday 12 November 2026 until Sunday 15 November 2026 at 23:59 CET. At the 1815 booth in Madurodam, The Hague, you can take part during WordCamp Netherlands on 12 and 13 November. Online at 1815.nl/game, you can take part for the whole period.

03 Who can take part

- You are 18 or older.
- At the booth, any attendee, speaker, volunteer or sponsor of WordCamp Netherlands 2026 can take part. To take part online, you must live in the Netherlands or Belgium.
- Employees of 1815, their household members and anyone involved in organising this game cannot take part.

04 How to take part

1. Play a round of Pixel Raid at the 1815 booth or online at 1815.nl/game. Your nickname and score appear on the public leaderboard, but your score does not count: winners are chosen purely by chance.
2. Then sign up using the entry form, at the booth or online.
3. Everyone gets one entry, even if you play more than once and sign up again, at the booth or online. Before the draw, we merge duplicate sign-ups. Anyone trying to get extra entries using different names or email addresses may be excluded.

4. Can't or don't want to play? Ask one of us at the booth or let us know through the contact form at 1815.nl/contact, and we will enter you without playing.

Taking part is free. You don't have to buy anything or sign up for a newsletter. Online, you only pay your usual internet costs.

05 Draw

- On Monday 16 November 2026 at 13:00 CET, we draw the winners from all valid entries.
- The draw is done digitally using a random generator, in the presence of at least two people.
- There is one draw. The first entry drawn wins prize 1, the second prize 2, and so on, following the prize list below.
- You can win no more than one prize.
- We then draw five reserves, in order.

06 Prizes

- There are 10 prizes with a total value of €570. The value of each prize is listed below these terms.
- Prizes cannot be exchanged for cash and are not transferable.
- If a prize is unavailable, you will receive a comparable prize of equal or higher value.
- No prize is worth more than €449, so no Dutch gaming tax (kansspelbelasting) is due. Should it be due after all, 1815 will pay it.

07 Winners and prizes

- On Monday 16 November 2026, right after the draw, we email the winners.
- Reply to our email by Monday 23 November 2026. We then send your prize within four weeks, free of charge.
- You can also collect your prize from 1815 in The Hague, by arrangement.
- If you don't reply in time, your prize goes to the next reserve. A reserve has seven days to reply. If all reserves have been used, we draw again.
- We ship prizes free of charge to an address in the Netherlands or Belgium. If you live elsewhere, we will, where possible, have your prize or an equivalent product delivered directly to you by an online shop. If that is not possible, you can collect your prize, or have it collected, from 1815 in The Hague, or we send it if you pay the shipping costs. Any import duties and VAT on imports outside the EU are your responsibility. If you choose none of these options within the reply period, the prize goes to the next reserve.
- You can request the list of prizes awarded through the contact form at 1815.nl/contact.

08 Personal data

- 1815 uses your name, nickname, email address and role only for this game: the draw, contacting winners and an overview of who took part.
- Your nickname is publicly visible on the leaderboard, so choose one that doesn't identify you if you prefer. We change or remove offensive or inappropriate nicknames. We take the leaderboard offline by 31 December 2026 at the latest.
- We delete the data of participants who don't win by 31 December 2026 at the latest. We keep winners' data for up to six months after the draw.
- If you want 1815 to contact you about job openings, you can tick a separate box. This is not a condition for taking part. In that case, we keep your name and email address for that purpose until you withdraw, for a maximum of two years.
- To access, correct or delete your data, use the contact form at 1815.nl/contact. Read more in the 1815 privacy policy (in Dutch): www.1815.nl/privacybeleid.

09 **Questions and complaints**

- If you have a question or complaint about the game, use the contact form at 1815.nl/contact or write to 1815 B.V., Nieuwe Parklaan 17, 2597 LA The Hague, the Netherlands. We will reply within two weeks.
- If we can't resolve it together, you can submit your complaint to the Netherlands Gambling Authority (Kansspelautoriteit).

10 **Other provisions**

- 1815 complies with the Dutch Code of Conduct for Promotional Games of Chance 2014 (Gedragscode Promotionele Kansspelen). With a total prize value below €4,500, this is a small promotional game of chance.
- 1815 may exclude participants in case of fraud or abuse.
- We will not change these terms to the disadvantage of participants while the game is running.
- 1815 is not liable for damage resulting from taking part or from using a prize, except in case of intent or gross negligence. The manufacturer's or seller's warranty applies to prizes.
